## Submit a New Add-on

### Submission Process

1. Getting started
2. Upload your add-on
3. Describe your add-on
4. Add images and videos
5. Select a license
6. Select a review process
7. Review your choices
8. You're done!

As steps are completed, previous steps become links. These links let the developer go back and modify a previous step. If they entered any data previously, it should be preserved on revisit, if possible.

### Step 1. Getting Started

Thanks for deciding to submit your add-on! Our gallery is free to use and is the best way to distribute your add-on to millions of Firefox users. Submitting an add-on takes only a few minutes and your add-on can be publicly available within 24 hours. [Learn more about hosting in our gallery...](#)

#### What will I need to submit my add-on?

- A packaged add-on file (XPI or JAR).
- At least one screen shot or video of your add-on.
- Any licenses or policies your add-on's users must agree to.

To begin, please read and accept the **Add-on Developer Agreement**:

Lorem ipsum dolor sit amet, consectetur adipiscing elit. Aenean molestie, nulla vel aliquam tempus, sem neque egestas quam, et cursus diam ante at enim. Cras quam enim, accumsan ac volutpat at, semper ac lacus. Fusce iaculis pulvinar nulla, at gravida mauris pharetra egestas. Integer quam lacus, pretium in porttitor ac, cursus vitae nulla.
